If after such hearing and the facts so warrant, the court shall order the drug dependent to be examined by two (2) physicians accredited by the Board. If both physicians conclude that the respondent is not a drug dependent, the court shall order his/her discharge. If either physician finds him to be a dependent, the court shall conduct a hearing and consider all relevant evidence which may be offered. If the court finds him a drug dependent, it shall issue an order for his/her commitment to a treatment and rehabilitation center under the supervision of the DOH. In any event, the order of discharge or order of confinement or commitment shall be issued not later than fifteen (15) days from the filing of the appropriate petition.

Should the drug dependent, having been committed to a Center upon petition by the Board escape therefrom, he/she may resubmit himself/herself for confinement within one (1) week from the date of his/her escape; or his/her parent, spouse, guardian or relative within the fourth degree of consanguinity or affinity may, within the same period, surrender him for recommitment. If, however, the drug dependent does not resubmit himself/herself for confinement or he/she is not surrendered for recommitment, the Board may apply with the court for the issuance of the recommitment order. Upon proof of previous commitment, the court shall issue an order for recommitment. If, subsequent to such recommitment, he/she should escape again, he/she shall no longer be exempt from criminal liability for use of any dangerous drug.

A drug dependent committed under this particular Section who is finally discharged from confinement shall be exempt from criminal liability under Section 15 of this Act, without prejudice to the outcome of any pending case filed in court.
