

Requirements for the Licensing of Ambulatory Surgical Clinics Providing Oral and Maxillo-Facial Surgery

I. Definition of Oral and Maxillo-Facial Surgery

A part of dentistry that deals with the diagnosis, surgical and adjunctive management of diseases, injuries, and defects of the human oral cavity, jaws, teeth and surrounding tissues.

- *Derived from the Rules and Regulations of Republic Act No. 9484, The Philippine Dental Act of 2007, Section 4 (a)*

II. Scope

Licensing shall apply to any person, firm, corporation or entity, whether government or private, operating, maintaining and advertising ambulatory surgical clinics providing oral and maxillo-facial surgery.

However, it shall not apply to any person, whether government or private, engaged in oral and maxillo-facial surgery solely for his/ her practice of dentistry.

Cleft Lip	N/A	<p>Oral and Maxillo-Facial Surgeon</p> <ul style="list-style-type: none"> ▪ Registered Dentist with valid PRC Identification Card ▪ Certificate of Membership in the Philippine College of Oral and Maxillo-Facial Surgeons (PCOMS) or ▪ Certificate of Proficiency (4 years residency) from a local/ foreign institution recognized by PCOMS ▪ Can be on-call <p>Registered Nurse</p> <p>Anesthesiologist</p> <ul style="list-style-type: none"> ▪ Certification from the Philippine Society of Anesthesiologists ▪ Can be on-call

Others:

1. Clerk
2. Utility Worker

V. Equipment/ Instruments

Items	Used under Local Anesthesia	Used under General Anesthesia
1. Ambu bag	N/A	Yes
2. Anesthesia machine (with tanks of gases and gauges)	N/A	Yes
3. Autoclave	Yes	Yes
4. Basic oral surgery instruments	Yes	Yes
5. Cardiac monitor	N/A	Yes
6. Dental unit/ chair	Yes	N/A
7. Defibrillator	N/A	Yes
8. Electrocautery	Yes	Yes
9. Emergency cart/ tray (with emergency medicines)	Yes	Yes
10. Endotracheal tubes (all sizes)	N/A	Yes
11. Face mask	N/A	Yes
12. High-speed hand piece (air-driven or motor-driven) with surgical burs	Yes	Yes
13. Instrument table	N/A	Yes
14. Intravenous stand	N/A	Yes
15. Laryngoscope with adult and pediatric blades (curve and straight), spare bulb and battery	N/A	Yes
16. Operating light	N/A	Yes
17. Operating table	N/A	Yes
18. Oxygen tank	Yes	Yes
19. Peri-apical x-ray machine (with apron)	Yes	Yes
20. Pulse oximeter (with probe)	N/A	Yes

Items	Used under Local Anesthesia	Used under General Anesthesia
21. Sphygmomanometer (with stethoscope)	Yes	Yes
22. Sterilizing tray and solution	N/A	Yes
23. Stretcher/ Patient bed	N/A	Yes
24. Suction machine	Yes	Yes
25. Tracheostomy set	N/A	Yes
26. X-ray film viewer	Yes	Yes
<i>For Trauma Management, plus</i>		
27. Arch bars and wires	Yes	Yes
28. Splinting materials	Yes	Yes
<i>For Dental Implant, plus</i>		
29. Implant delivery system	Yes	Yes

Others:

1. Emergency Lights
2. Fire Extinguisher
3. Patient Transport Vehicle (can be outsourced)
4. Personnel Protective Device
5. Standby Generator

VI. Physical Plant

Spaces	Provided under Local Anesthesia	Provided under General Anesthesia
1. Clean-up area	Yes	Yes
2. Dressing area/ room	Yes	Yes
3. Examination/ treatment area (with air conditioning unit)	Yes	Yes
4. Operating room (with air conditioning unit)	N/A	Yes
5. Recovery room	N/A	Yes

Spaces	Provided under Local Anesthesia	Provided under General Anesthesia
6. Scrub-up area (with sink and water supply)	Yes	Yes
7. Sterile instrument, supply and storage area	Yes	Yes
8. Sterilizing area/ room	Yes	Yes
9. Toilet	Yes	Yes

Others:

1. Waiting Area
2. Receiving, Billing and Records Area
