Department of Health
HEALTH FACILITIES AND SERVICES REGULATORY BUREAU

ADVISORY

The **Online Licensing and Regulatory System or OLRS** will be implemented to new health facility application for Permit to Construct, License to Operate, and Certificate of Accreditation effective **March 1, 2022**.

OLRS is part of the commitment of the Department of Health (DOH) in the FOURmula One Plus for Health to harmonize and streamline regulatory systems and processes in accordance with Administrative Order No. 2018-0014 entitled "Strategic Framework and Implementing Guidelines for FOURmula One Plus for Health (F1+)" dated May 30, 2018.

This is also in compliance with R.A 11032 or the Ease of Doing Business (EODB) and Efficient Government Service Delivery Act of 2018.

Please visit <https://olrs.doh.gov.ph/helpdesk/hfsrb> to open OLRS User's Guide for permit to construct, license to operate, and certificate of accreditation application.

Kindly go to <https://olrs.doh.gov.ph> to start your online application as new health facility.

For Technical Support and System Support please send us a message thru HFSRB Facebook Page Help Desk (HFSRB OLRS) or you may contact 02-86517800 local 2516 or e-mail us at olrshfsrb@doh.gov.ph from 8:00 A.M. - 5:00 P.M., Monday to Friday.

Please bear with us as you experience changes in workflows and processing of application during the transition of the use of the information system.

Please be guided accordingly.

Thank you.
